Subject: Request for minutes and tapes of closed session meeting held during the month of Feb 2020 by City Council and COW

Date: Mon, Oct 31, 2022 2:45 pm

Please consider this as a FOIA request for minutes and tapes of all closed session meetings held during the month of Feb 2020 by City Council and/or COW.

The last review of closed session minutes was held March 21, 2022. The next semiyearly required review should have been in late September 2022. I cannot find documentation that this occurred. Please advise.

Sincerely,

Rodney Nelson, M.D., F.A.C.P.
